

"Supplies for Success"

Community Peer Education

State Project Guidelines for 2005-2006

The Community Peer Education Team is asking chapters to collect school supplies for preschoolers, elementary, middle and high school students. We feel this would be a great way to get chapters involved in their school and community. We would like you to collect the items and donate them to a preschool/ in home child care or give them to someone (principal or counselor) in your school to distribute to students who may need school supplies. Below are lists of items that you may collect.
